

FOR YOUR GOLD BUY-AND-SELL SHOP

How much cash do you have today to buy gold **tomorrow?**

AI4Oro brings **your whole gold business into one place** and tells you, on screen and in real time, how much cash you have left in each shop. It replaces the old desktop program and paper, **without changing how you work.**

THE DAILY OPERATION · what I do all day

 **Buy gold**
at the counter

 **Sell**
retail & wholesale

 **Pawn**
contract · renewal · forfeit

YOUR MONEY & YOUR GOLD · my two balances and where the cash comes from

 **Live cash**
what I have to buy tomorrow

 **Investors / capital**
deposits · interest · balance

 **Gold inventory**
raw gold · jewelry · collateral

BACKING & CONTROL · I'm covered and I see everything

 **Compliance**
RUCOM · UIAF · records

 **Accounting**
balances & reconciles

 **Reports**
by day · month · shop

The only one that brings the nine together in one place — across one or several shops, on phone or computer.

Free early access for the first gold businesses. Limited spots — a few at a time, with in-person onboarding.
